

DreamTeam Token Sale

Privacy Policy

Last Updated: November 11, 2017

This Privacy Policy explains how information is collected, used and disclosed by DreamTeam (hereinafter - "**DreamTeam**", "**Company**" "**we**", or "**us**"), before using the website <http://token.dreamteam.gg> or any services or products made available through DreamTeam and this website (collectively, the "**Services**"), or when you otherwise interact with us. Our Services include the web page <http://token.dreamteam.gg> and/or any services or products made available through this website, that will issue its internal ERC-20 digital tokens called DreamTeam Tokens (hereinafter – the "**DTT**"). DTT will be used as in-service currency for all the smart contracts, integrated with an automated value distribution protocol, based on KPI, that are set by specific users of DreamTeam Services, and within the Services (hereinafter – the "**Platform**"). For details about the information these other devices may collect about you or your device, please read further. PLEASE NOTE, THAT, YOU CAN NOT USE THE PLATFORM UNTIL YOU WILL GIVE YOUR EXPLICIT CONSENT WITH THE PROVISION OF THIS AGREEMENT BY TECHNICALLY SIGN IT.

1. Definitions

Personally identifiable information (hereinafter - "**personal information**" or "**information**") is any information that can be directly associated with a specific person and can be used to identify that person. This information you actively provide to us.

Buyer, User, you – anyone who uses or planning to use the Services or the Platform, where (a) You is any person, who uses the Platform or it's Services, without prior registration and authorization; (b) User is any person, who uses the Platform or it's Services, with prior registration and authorization; and (c) Buyer is any person, who uses the Platform or it's Services to purchase DTT.

2. Collection of Information

Information You Provide to Us

We may collect information you provide directly to us. For instance, we collect information you provide when you subscribe to our Platform, updates, authorize or register to our Services, respond to a survey, fill out any form, request customer support or communicate with us in any manner. The types of information we, at our discretion, may collect include your full name, telephone number, BTC, ETH-address or other similar address, IP address, residential and email address, browser type, age, pages accessed on our website, date and time the website was accessed, survey responses, your status as accredited or professional investor and any other information you choose to provide. We also may request some scanned or depicted documents from you, such as photo of your passport or other identity card to show proof of identity as well as documentation that evidences your proof of address or documents or online database information to confirm the status. We also may collect information about a User's computer or other access devices for fraud prevention, KYC or AML purposes and other information as may be

required by terms of DreamTeam Token Sale Agreement ([token.dreamteam.gg/documents/DreamTeam Token Sale Agreement ENG.pdf](https://token.dreamteam.gg/documents/DreamTeam%20Token%20Sale%20Agreement%20ENG.pdf)).

Please note, that all such data and documentation is gathered for the purposes of conformity with law and international security practices and regulations. You are supposed to provide all those data and documents, we request or ask you to provide, in order to use the Services and the Platform.

If you use the Platform, we or our third-party service provider may collect your payment method and other payment information for use in connection with your payments for storage or payments processing.

We do not process any sensitive personal information, such as information about one's religion, race, ethnicity and/or political views.

Information We Collect Automatically

Information about your hardware and software may be automatically collected by us. This information can include usage information that includes your interactions with Services, device information, such as unique device identifiers, operating system information, internet service provider, IP address, screen resolution, language, the date and time of each of your log-ins and requests. We can also collect the other information due to this Agreement, but only for the needs of the Platform. This information is used for the operation of Services, to maintain quality of the service, and to provide general statistics regarding use of Services and can be received otherwise.

However, we will collect all incoming and outgoing data from the Platform and its connected sources. All of this data will be automatically processed to provide a high-quality output, like all kinds of researches. This grants you as well as other Platform users, the right to conduct a specifically targeted survey covering all the necessary questions and get a direct response. Taking it in consideration, You agree your information to be collected in such a manner as well.

Our use of cookies and other technologies may allow us and third parties to collect information about your browsing activities over time and across different websites following your use of our Services.

However, You should not rely upon our automated search of any your personal data or any information about You. So, please, provide us with all and any information we ask you to provide in appropriate requests or forms for You to fill in.

Also, We use cookies on our Platform to allow (a) You to navigate from page to page without having to re-login each time, count visits, and (b) us to see which areas and features of our website are popular.

Cookies are small text files that are placed on your computer by websites that You visit. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the website. We do not link the information We store in cookies to any information You submit while on our website. Cookies are typically stored on your computer's hard drive. Information collected from cookies is used by us to evaluate the effectiveness of our Services, analyze trends, and administer

our Services (Platform). The information collected from cookies allows us to determine such things as which parts of our Services are most visited and difficulties our visitors may experience in accessing our services. With this knowledge, We can improve the quality of your experience with our Services by recognizing and delivering more of the most desired features and information, as well as by resolving access difficulties.

Information We Collect from Other Sources

To provide you with the best Services possible, we also use third party service providers, which we entrust storing data, its collection and analysis. We believe that all third party service providers are important to our effective operation. They have their own privacy policies and their own conditions, whether to collect your data or opt-out from it. Thus, we do recommend You to getting yourself acquainted with the terms of third party service provider, if You use other services on our Platform.

By default, we will not seek any of your Personal Information through any other software platforms, data web resources etc., even if this information is necessary for You or your usage of the Platform, but we or our third-party service provider may do it for the conformance and verification purposes.

Why We Collect Personal Information

Our primary purpose for collecting personal information is to provide you with a secure, smooth, efficient, and customized experience. We may use your personal information to:

- (i) provide the Services and customer support per your request;
- (ii) process transactions and send notices about your transactions;
- (iii) resolve disputes, collect fees, and troubleshoot problems;
- (iv) prevent potentially prohibited or illegal activities, and enforce our Terms and Conditions;
- (v) customize, measure, and improve the Services and the content and layout of our website and applications;
- (vi) deliver targeted marketing, service update notices, and promotional offers based on your communication preferences;
- (vii) compare information for accuracy and verify it with third parties;
- (viii) verify your status and / or confirm information You provided to us;
- (ix) distribute and account DTT tokens.

3. Use of Information

We collect and use your personal information to operate our Services and deliver the Services you have requested. We only store your information for no longer than is required for the purposes for which the information may be used. In addition, We have the right to compile your personal information, as well as remove it from the Platform.

We may use information about you for various purposes, including to:

- (i) Identify our users;
- (ii) Administer our Services;
- (iii) Develop new products and services;
- (iv) Personalize our Services for you;
- (v) Send you technical notices and support and administrative messages;

- (vi) Communicate with you about products, services, Platform itself, promotions, events and other news and information we think will be of interest to you;
- (vii) Monitor and analyze trends, usage and activities in connection with our Services;
- (viii) Provide third parties with statistical information about our users (but those third parties will not be able to identify any individual user from that information);
- (ix) Detect, investigate and prevent fraudulent transactions and other illegal activities and protect the rights and property of DreamTeam and others;
- (x) Link or combine information we collect from or about you; and
- (xi) Verify compliance with the terms and conditions governing the use of our Services (including monitoring private messages sent through our website private messaging service).

4. Sharing Information

We may share your personal information:

- (i) with other DreamTeam affiliated entities, in order to help detect and prevent potentially illegal acts and violations of our policies, and to guide decisions about our products, services and communications;
- (ii) with service providers that perform work for us (such as hosting providers, identity verification, investor status verification, support, payment, tokens accounting and email service providers etc.);
- (iii) with state organs in response to a request for information if we believe disclosure is in accordance with, or required by, any applicable law, regulation or legal process;
- (iv) with any third person if we believe your actions are inconsistent with our user agreements or policies, or to protect the rights, property and safety of DreamTeam or others;
- (v) in connection with, or during negotiations of, any merger, sale of company assets, financing or acquisition of all or a portion of our business by another company;
- (vi) between and among Company and its current and future parents, affiliates, subsidiaries and other companies under common control and ownership; or
- (vii) when we believe, in our sole discretion, that the disclosure of personal information is necessary to report suspected illegal activity or to investigate violations of our Terms and Conditions.

We may also share aggregated or de-identified information, which cannot reasonably be used to identify you.

5. Correct/update/remove information

You have right to access to your personal information and to require the correction, updating or deletion of incorrect or/and inaccurate data by contacting us, please email us at token@dreamteam.gg. Nevertheless, this request must comply with Terms and Conditions and other legal obligations that may arise. Upon the accepted request, we will provide you with the personal information that we collect and store about you and general disclosure of your personal information. To disable your account and remove your personal information completely, please email us at token@dreamteam.gg with a request that complies with DreamTeam's Terms and Conditions.

6. Retain information

In accordance with applicable laws and as needed to provide services to our Users, we may hold your personal information. This requirement is conditioned by the need of

complying with legal obligations and resolving possible disputes. We may retain your personal information so long as your account is active. Moreover, your information may be held beyond the abovementioned period till it is indispensable for us to have relevant information to respond to any issues that may arise later.

Please note that the DreamTeam has prepared Whitepaper ([token.dreamteam.gg/documents/DreamTeam Whitepaper ENG.pdf](https://token.dreamteam.gg/documents/DreamTeam%20Whitepaper%20ENG.pdf)) to describe the technical matters related to the Platform itself, User Accounts (as those are defined in the Terms and Conditions of the Platform - [token.dreamteam.gg/documents/DreamTeam T&C ENG.pdf](https://token.dreamteam.gg/documents/DreamTeam%20T&C%20ENG.pdf)) and DDT, included, but not limited to, any technological aspects and software matters.

7. Marketing

We do not sell, rent or lease your personal information and/or customer lists to third parties without your explicit consent. We may combine your information with information we collect from other sources and use it to improve and personalize the DreamTeam Services, content, and advertising.

8. Analytics Services Provided by Others

We may allow others to provide analytics services on our behalf in connection with our Services. These persons may use cookies and other technologies to collect information about your use of the Platform and Services and other websites and apps (if any), including your IP address, web browser, pages views, app performance, time spent on pages and links clicked. This information may be used by DreamTeam and others to, among other things, analyze and track data, determine the popularity of certain content and better understand your online activity.

9. Security

We use relevant electronic and procedural safeguards to protect the privacy of the information you provide to Company from loss, misuse, disclosure, alteration and destruction. Please note that transmission of data or information (including communications by e-mail) over the Internet or other publicly accessible networks is not one hundred percent secure. Please note, that we are not liable for the security of any data you are transmitting over the Internet, or third party content as well as for any of your losses associated with such transmission.

All DTT operations on the Platform, including but not limited to those between user accounts, are written into blockchain register with compulsory and automated hash entry into the chain of blocks.

Blockchain security is provided by data records of all DTT movements from one account to another, with the obligatory and automatic hash recording into the Blockchain. The flow-of-funds record is open to the public. However, the registry information is unchangeable and anonymous.

10. Notice to parents

Parents or guardians: We want to help You guard your children’s privacy. We encourage You to talk to your children about safe and responsible use of their and your personal information while using Internet.

Company’s web-resources and web-resources of our affiliates, licensees, agents etc. in the part they use under our license or assignment does not publish any data that is targeted to children. So, that We advice you to refrain your children from using web-resources, mentioned in this paragraph and ask them not to use them. However, we ask you to pay attention that all and any actions taken under your registration data in the Company’s web-resources and web-resources of our licensees, agents etc. shall be considered to be taken by you namely.

11. Changes to this Policy

We may amend this policy at any time by posting a revised version on our Websites. The revised version will be effective at the time we post it. In addition, if the revised version includes any substantial changes to the manner in which your personal information will be processed, we will provide you with prior notice by posting notification of the change on the “Privacy Policy” area of our website or any Services made available through our Websites.

We encourage you to periodically check this page for the latest information on our privacy policy.

12. Contact us

If you have questions concerning this Privacy Policy, or you notice any bugs, errors or violations please feel free to send us an email at token@dreamteam.gg.
